Dear Mr Whitmyer

WITHOUT PREJUDICE
Bruce Kirby Inc. v LaserPerformance et al

Thank you for your letter of 22 March 2013.

Your client's response is disappointing and, given the short space of time between our letter and your response, ISAF finds it hard to accept that all the issues raised in our letter have been considered in depth.

Nevertheless, ISAF has today notified ILCA that it should cease to issue ISAF plaques to LaserPerformance (Europe) Limited and Quarter Moon Inc. (copy letters attached). Please confirm by return that ISAF will not now be served with these proceedings and that your client will remove ISAF from the proceedings as a defendant forthwith.

Once this confirmation is received, ISAF will make arrangements to attend a meeting with your client and its proposed authorised builders of its new sailboat. Unfortunately the necessary ISAF staff cannot attend a meeting in the United States on 9 April due to existing commitments here in the United Kingdom. Please may your client propose alternative dates and locations later in April or May and also provide more details of what is to be discussed at the meeting (which I appreciate may be tentative at this stage). This is to ensure ISAF has the right personnel attending the meeting.

I look forward to hearing from you.

Yours sincerely
